Introduction to Employee Self-Service (ESS) Portal

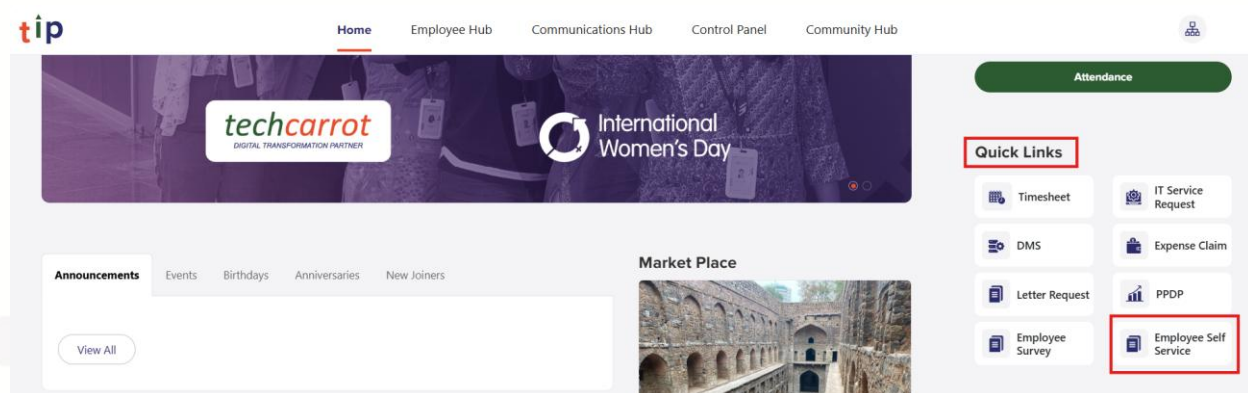

As part of our organisation's transition to **HRIS**, a new Employee Self-Service (ESS) Portal has been launched for **techcarrotians**.

This guide will help you navigate the portal. In **Phase 1**, the following two functionalities are available:

- Update **Employee Profile**
- Download **Payslips**

Getting Started

1. Go to: [TIP - Home](#)
2. Click on the Employee Self Service under **Quick Links**.
(Intranet Portal -> Quick links -> Employee Self Service)

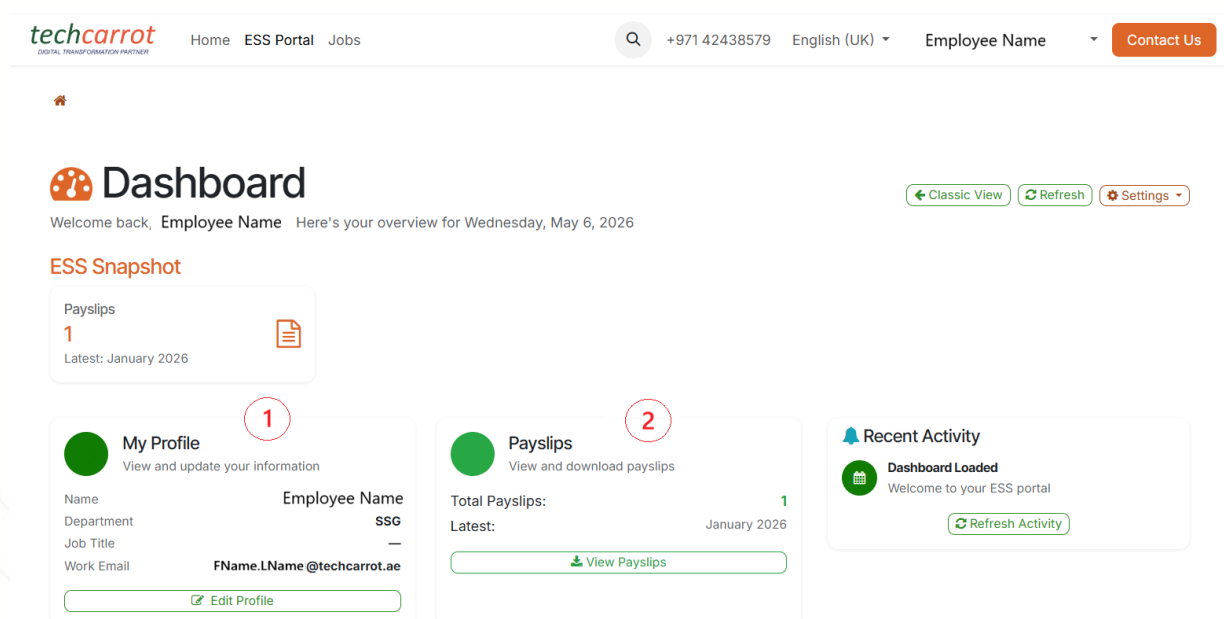

3. This will land you to the below **Dashboard** page.

Dashboard Overview

The dashboard is your main workspace, where you can access:

- My Profile
- Payslips

1. Employee Profile (My Profile)

The **My Profile** section contains your master data as maintained in HR records. Please review your details and update any missing or incorrect information.

Steps to Update Your Profile:

1. Go to **My Profile** and click on **Edit Profile**
2. Click on **Edit Mode**
